INDEPENDENT AUDITOR'S REPORT

To the Members of MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)

Report on the Standalone IND AS Financial Statements

Opinion

We have audited the accompanying standalone IND AS financial statements of MKP Mobility Limited (formerly known as Chitradurga Spintex Limited) ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the standalone financial statements give the information required by the Companies Act 2013, as amended ("The Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We have conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ('the Act'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key Audit matters are those matters that, in our professional judgement, were of most significance in our audit of Standalone Financial Statements of current period. As per our judgement, there are no Key Audit Matters that need to be reported under SA 701.

Information other than the Standalone Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our Auditors' Report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears

to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone IND AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) specified under section 133 of the Act., read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements. We have taken into account the provisions of the Companies Act 2013, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Standalone IND AS financial statements in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the

overall presentation of the standalone financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Standalone Balance Sheet, Standalone Statement of Profit and Loss including the Standalone Statement of Other Comprehensive Income, the Standalone Cash Flow Statement and Standalone Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) In our opinion, there are no matters that may have an adverse effect on the functioning of the Company.
- (f) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2018, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- iv. a) The management has represented that to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entities including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries;
 - c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year, therefore the provisions of the section 123 of the Act is not applicable.
 - vi. Based on our examination carried out in accordance with the Implementation Guide on Reporting of Audit trail under rule 11(g) of the Companies (Audit and Auditors) issued by the Institute of Chartered Accountant of India, the company has used accounting software for maintaining its Books of Accounts, which has a feature of recording Audit Trail (Edit Log) facility. Further, we did not come across of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for the record retention.
2. As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government in terms of sub-section 11 of section 143 of the Act, we give in the ‘Annexure B’, a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure A referred to in paragraph 1 (g) under the heading “Report on other Legal and Regulatory requirements” of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited) (“the Company”) as of March 31, 2025 in conjunction with our audit of the Ind AS standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanations given to us and based on our audit, the Company, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2025.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2025, OF MKP MOBILITY LIMITED (formerly known as CHITRADURGA SPINTEX LIMITED) ("the Company")

[Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

Companies (Auditor's Report) Order, 2020 issued by the Central Government in terms of subsection 11 of section 143 of Companies Act, 2013 ("the Act")

- i.
 - (a) (A) The company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant & Equipment;
 - (B) The company has maintained proper records showing full particulars of intangible assets.
 - (b) All the fixed assets have been physically verified by the management at reasonable intervals and no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us, the Company does not own any immovable property, other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee.
 - (d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Accordingly, the reporting under Clause 3(i)(d) of the Order is not applicable to the Company.
 - (e) No proceedings have been initiated or are pending against the company for holding any Benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and rules made thereunder.
- ii.
 - (a) The inventory has been physically verified at reasonable interval by the management to the extent possible. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its business. No discrepancies of 10% or more in aggregate for each class of inventory were noticed in respect of such physical verification.
 - (b) The Company has not been sanctioned any working Capital limit, from banks or financial institutions during any point of time of the year on the basis of security of current assets in excess of five crore. Accordingly, the requirement to report on clause 3(ii)(b) of the order is not applicable to the Company.

1. Corporate information

The company was incorporated on 10.12.1990 under the provision of the Companies Act 1956, with the name of the company as Chitradurga Spintex Limited, to carry on the business of Spinning (Textile). The name was changed to MKP Mobility Limited with effect from 21.12.2022. Also the object of the company was modified from Spinning (Textile) to carrying on business of Spinning (Textile), distribution and export of automotive parts, industrial products, mechanical and electronic components, auto care products, lubricants, tyres, batteries, refurbished parts, to generate, acquire by purchase, accumulate electrical power and transmit, distribute and supply such power by setting up power plants, to carry on the business of taking up and executing infrastructural projects.

The registered office of the Company is situated at GAT No.624, behind Vijay Hotel, Wadki Nala, Vadki, Pune, Haveli, Maharashtra, India, 412308.

2. Basis of preparation and Summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated. The standalone financial statements are for the Company consisting of MKP Mobility Limited (the 'Company').

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015.

2.1 Basis of preparation and presentation of standalone financial statements

(i) Statement of Compliance

The standalone financial statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and presentation and disclosures requirement of Division II of revised Schedule III of the Companies Act 2013, as applicable to standalone financial statement.

The standalone financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the standalone financial statements.

(ii) Historical cost convention

The standalone financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities (including derivative instruments) - measured at fair value;
- Assets held for sale - measured at fair value less cost to sell

(iii) Current versus Non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or

MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)
Standalone Financial Statements
Notes Forming Part of Financial Statements for the Year Ended March 31, 2025

- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle of the Company is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Based on the nature of products and the time between the acquisitions of assets for processing and their realization in cash and cash equivalents, the company has ascertained operating cycle of 12 months for the purpose of current and non-current classification of assets and liabilities.

(iv) Segment reporting:

The Company primarily operates in the Distribution of Automobile spare parts and lubricants. The board of directors of the Company, which has been identified as being the chief operating decision maker (CODM), evaluates the Company's performance, allocates resources based on the analysis of the various performance indicators of the Company as a single unit. Therefore, there is no reportable segment for the Company as per the requirement of IND AS 108 "Operating Segments".

(v) Cash flow statement

The Cash Flow Statement is prepared by the indirect method set out in Ind AS 7 on Cash Flow Statements and presents cash flows by operating, investing and financing activities of the Company.

2.2 Property, plant and equipment

Initial recognition

All items of property, plant and equipment (including capital work-in-progress) are measured at its cost. The cost of an item of property, plant and equipment comprises:

- (a) Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- (b) Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- (c) The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Measurement after recognition

The Company has elected revaluation model for measurement of land whose fair value can be measured reliably at each reporting period.

(a) Revaluation model for certain class of property, plant and equipment

MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)
Standalone Financial Statements
Notes Forming Part of Financial Statements for the Year Ended March 31, 2025

Land is recognised at fair value based on periodic, but at least once in three years, valuations by external independent valuers, less subsequent depreciation for buildings.

Increases in the carrying amounts arising on revaluation of land are recognised, net of tax, in other comprehensive income and accumulated in reserves in shareholders' equity. To the extent that the increase reverses a decrease previously recognised in profit or loss, the increase is first recognised in profit or loss. Decreases that reverse previous increases of the same asset are first recognised in other comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to profit or loss. Each year, the difference between depreciation based on the revalued carrying amount of the asset charged to profit or loss and depreciation based on the asset's original cost, net of tax, is reclassified from the revaluation reserve to retained earnings.

(b) Cost model for other class of assets

All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

(c) Depreciation methods, estimated useful lives and residual value.

Depreciation is calculated using the WDV method to allocate the cost of the assets, net of their residual values, over their estimated useful lives as follows:

Type of asset	Useful life (in years)
Building	60
Computer	3/6
Office equipment	5
Furniture and fittings	10
Vehicles	8/10
Plant and Machinery	15

2.3 Intangible assets (including intangible assets under development)

Software:

Intangible assets are recognized at cost. Intangible assets are amortised on a straight line basis over the estimated useful economic life so as to reflect the pattern in which the assets economic benefits are consumed.

Following summarizes the nature of intangible and the estimated useful life:

Asset	Useful life (in years)
Software	3

MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)
Standalone Financial Statements
Notes Forming Part of Financial Statements for the Year Ended March 31, 2025

An intangible asset is derecognized on disposal or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the profit or loss when the asset is derecognized.

2.4 Trade receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. Trade receivables are recognised initially at the amount of consideration that is unconditional unless they contain significant financing components, when they are recognised at fair value. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost.

2.5 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value

2.6 Other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments that are not held for trading, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at FVOCI.

(ii) Recognition

Regular way purchases and sales of financial assets are recognised on trade-date, being the date on which the Company commits to purchase or sell the financial asset.

(iii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)
Standalone Financial Statements
Notes Forming Part of Financial Statements for the Year Ended March 31, 2025

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in Other Income using the effective interest rate method. Any gain or loss arising on de-recognition is recognised directly in profit or loss and presented in other gains/ (losses). Impairment losses are presented as separate line item in the statement of profit and loss.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains/ (losses) and impairment expenses are presented as separate line item in statement of profit and loss.
- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the de-recognition of the investment. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

De-recognition of financial assets

A financial asset is derecognised only when:

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)
Standalone Financial Statements
Notes Forming Part of Financial Statements for the Year Ended March 31, 2025

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

2.7 Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in India where the company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment.

The Company measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets and liabilities and where the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.8 Inventories

Cost of inventories for traded goods is computed on weighted-average basis. Inventories are stated at lower of cost or net realisable value. The cost of stock-in-trade includes direct expenses.

Net realisable value is the estimated selling price in the ordinary course of business less any applicable selling expenses.

2.9 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within the agreed credit days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

2.10 Revenue recognition policy

The Company accounts for a contract when it has approval and commitment from parties involved, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable.

Revenue from the sale of goods is recognized at the point in time when control is transferred to the customer - based on delivery terms, payment terms, customer acceptance and other indicators of control as mentioned above.

The Company recognizes revenue in the gross amount of consideration when it is acting as a principal and at net amount of consideration when it is acting as an agent. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Revenue from contract with customers is recognized when the Company satisfies performance obligations by transferring promised goods to the customer. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset. Revenue is measured based on transaction price, which is the fair value of consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract, net of the estimated sales incentives/discounts. Accumulated experience is used to estimate and provide for the discounts/right of the return, using the expected value method.

The Company assesses for the timing of revenue recognition in case of each distinct performance obligation. The Company first assesses whether the revenue can be recognized over time as it performs if any of the following criteria is met:

- (a) The customer simultaneously consumes the benefits as the Company performs, or
- (b) The customer controls the work-in-progress, or
- (c) The Company's performance does not create an asset with alternative use to the Company and the Company has right to payment for performance completed till date.

If none of the criteria above are met, the Company recognizes revenue at a point-in-time. The point-in-time is determined when the control of the goods or services is transferred which is generally determined based on when the significant risks and rewards of ownership are transferred to the customer. Apart from this, the Company also considers its present right to payment, the legal title to the goods, the physical possession and the customer acceptance in determining the point in time where control has been transferred.

2.11 Interest income

Interest income from financial assets at fair value through profit or loss is disclosed as interest income within other income. Interest income on financial assets at amortised cost and financial assets at FVOCI is

MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)
Standalone Financial Statements
Notes Forming Part of Financial Statements for the Year Ended March 31, 2025

calculated using the effective interest method is recognised in the statement of profit and loss as part of other income.

2.12 Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to equity shareholders of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

The amount recognised as an expense towards contribution to Provident Fund for the year aggregated to Rs.5.09 (2024: 0.00) and other funds to Rs.0.04 (2023: 0.00).

Contribution to Defined Contribution Plans recognised as expense for the period ended are as under:

Particulars	March 31, 2025	March 31, 2024
Employers contribution to provident and other funds	5.13	-
Total	5.13	-

B. Defined benefit plan

The Company provides for gratuity to employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a non-funded plan and the Company makes gratuity payments to employees.

(b) Movements in the present value of the defined obligation are as follows:	March 31, 2025	March 31, 2024
Fair value of plan assets at the beginning of the year	-	-
Interest income	-	-
Transfer In / (Out)	-	-
Benefits paid	-	-
Expected Return on plan assets	-	-
Contributions	-	-
Mortality Charges and Taxes	-	-
Actuarial Gain / (Loss) on Plan Assets	-	-
Fair value of plan assets at the end of the year	-	-

(c) Expenses recognized in the Statement of Profit and Loss under employee benefit expenses.

Particulars	March 31, 2025	March 31, 2024
Service cost	2.19	-
Net interest (income)/expense	0.07	-
Past Service Cost	-	-
Expected return on plan assets	-	-

Total Remeasurement Cost/(Credit) for the year recognised in OCI	0.38	-

(e) Significant estimates: actuarial assumptions and sensitivity

The significant actuarial assumptions were as follows:	March 31, 2025	March 31, 2024
Mortality rate	Indian Assured Lives Mortality (2012-14) Ult.	Indian Assured Lives Mortality (2012-14) Ult.
Discount rate	6.80%	7.20%
Rate of growth in compensation level	8.00%	8.00%
Expected average remaining working lives of employees (in years)	12.66	11.87
Attrition rate	6.00%	6.00%

Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Change in Assumption	Defined benefit obligation	
	March 31, 2025	March 31, 2024
(i) 1% increase in discount rate	2.34	-
(ii) 1% decrease in discount rate	3.00	-
(iii) 1% increase in rate of salary escalation	2.96	-
(iv) 1% decrease in rate of salary escalation	2.36	-
(v) 1% increase in rate of withdrawal	2.61	-
(iv) 1% decrease in rate of withdrawal	2.68	-

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation by 1%, keeping all other actuarial assumptions constant. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of defined benefit obligation calculated with the projected unit credit method at the end of reporting period) has been applied while calculating the defined benefit liability recognised in the balance sheet. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

The following payments are expected contributions to the defined benefits plan in future year:

Particulars	March 31, 2025	March 31, 2024
Year 1	-	-
Year 2	0.01	-
Year 3	0.01	-
Year 4	0.23	-
Year 5	0.37	-
Year 6 to 10	7.21	-

Liability Risks**Asset-Liability Mismatch Risk-**

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the company is successfully able to neutralize valuation swings caused by interest rate movements. Hence companies are encouraged to adopt asset-liability management.

Discount Rate Risk-

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practise can have a significant impact on the defined benefit liabilities.

Future Salary Escalation and Inflation Risk -

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

The management assessed that the fair value of cash and cash equivalents, trade receivables, trade payables and other current financial assets and liabilities approximate their carrying amounts, largely due to the short term nature of these balances.

The fair value of the financial assets and liabilities is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The management assessed that the carrying amounts of its financial instruments are reasonable approximations of fair values.

i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

As at March 31, 2025

Financial assets and liabilities measured at amortised cost	Level 1	Level 2	Level 3	Total

Trade payables	-	-	79.98	79.98
Other current financial liabilities				
Other payables	-	-	6.19	6.19
Total financial liabilities			98.49	98.49

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. However the Company does not have any financial instruments that are measured using Level 1 inputs.

Level 2: The fair value of derivatives is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Fair value of financial assets and liabilities measured at amortised cost

The fair value of all financial instruments carried at amortised cost are not materially different from their carrying amounts, since they are either short-term in nature or the interest rate applicable are equal to the current market rate of interest.

34 Financial risk management

The Company's principal financial liabilities comprises of borrowings, lease liabilities, trade and other payables (including capital creditors). The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans given, trade and other receivables, and cash and cash equivalents that are derived directly from its operations.

The Company is exposed to the following risks from the use of financial instruments:

- (a) credit risk,
- (b) liquidity risk, and
- (c) market risk,
 - (i) foreign currency exchange risk, and
 - (ii) interest rate risk.

The Company's senior management oversees the management of these risks. The Company's financial risk activities are governed by appropriate policies and procedures and financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

(a) Credit Risk

The Company is exposed to credit risk as a result of counterparties defaulting their obligations. The Company's exposure to credit risk primarily relates to trade receivables. The Company monitors and limits its exposure to credit risks on a reasonable basis. The Company's credit risk is associated with Trade Receivables is primarily related to customers not able to settle their obligations as agreed upon. To manage this, the Company periodically reviews the financial reliability of its customers, taken into account their financial conditions, current economic trends, analysis of historical bad debts and ageing of trade receivables. Financial instruments that are subject to such risks, principally consist of trade receivables, contract assets such as security deposits and cash and bank balances. None of the financial instruments of the Company results in material concentration of credit risk.

(b) Liquidity Risk

The Company is exposed to liquidity risk related to its ability to fund its obligations as and when they become due. The Company monitors and manages the liquidity risk to ensure access to sufficient fund to meet operational and financial requirements. The Company has access to credit facilities and monitors cash and bank balances on a regular basis. In relation to the Company's liquidity risk, the Company's policy is to ensure that it will have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions without incurring unacceptable losses.

The table below analyzes the Company's financial liabilities into relevant maturity groupings based on their contractual maturities.

Lease Liability	6.96	-	-	6.96
Current loans	6.19	-	-	6.19
Total	93.13	5.36	-	98.49

(c) Market risk

Market risk is the risk of any loss in the future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change due to change in interest rates, foreign currency exchange rates, liquidity, and other market changes. Future specific market movements cannot be market predicted with reasonable accuracy.

(i) Foreign currency exchange rate risk

The Company deals with receivables from customers and payables to vendors. It is therefore exposed to foreign exchange risk associated with exchange rate movements. The foreign exchange rate fluctuations do not have any material impact on the profitability of the Company as such exports and foreign currency expenditure is negligible in totality.

There are no forward exchange contracts which have been entered into by the Company as on the reporting dates.

Details of foreign currency exposures that are not hedged by a derivatives instrument or otherwise:

Particulars	March 31, 2025	March 31, 2024

Euro	942	-

(ii) Interest rate risk

Interest rate risk is the risk that the fair value or the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The group's exposure to the risk of changes in market interest rates relates primarily to the group's debt obligations with floating interest rates.

35 Additional Regulatory Requirements-Ratios

Reasons for Change more than 25% from previous year

- 1) **Current Ratio:** Decrease in current ratio due to substantial increase in current liabilities as compared to current assets.
- 2) **Debt-Equity Ratio & Debt Service Coverage Ratio :** Increase in these ratios is due to loans and borrowings during the current year.
- 3) **Return on Equity Ratio :** Return on equity has decreased on account of substantial decrease in profits of the company during the year.
- 4) **Trade Receivables turnover ratio :** Decrease in trade receivable ratio is due to substantial increase in outstanding balance of trade receivables of the company.
- 5) **Trade Payable turnover ratio :** Increase in trade payable ratio is due to substantial increase in purchases and decrease in outstanding balance of trade payables of the company.
- 6) **Net capital turnover ratio:** Increase in the ratio is on account of substantial increase in sales of the company.
- 7) **Net profit ratio :** Decrease in the ratio is due to substantial decrease in the profits of the company.
- 8) **Return on capital employed:** Increase in return on capital employed is on account of significant increase in EBIT during the year.

36 Capital Management

For the purpose of the Company's capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating in order to support its business activities and maximize brand value. The Company manages its capital and makes adjustments to it in light of the changes in economic and market conditions.

37 Micro, Small and Medium Enterprises Development Act, 2006

As per the information available, the management has not received information from some of their suppliers for the year ended 31 March, 2025 confirming that they are covered under Micro, Small and Medium Enterprises Development Act, 2006. In Management's view, the impact of any interest that may be payable (in accordance with the provisions of the Micro, Small and Medium Enterprise Development Act, 2006) on delayed payments to its micro or small suppliers is not expected to be significant.

38 Segment Information

As the Company's business activities fall within a single primary business segment viz. auto components for two wheeler and for three wheeler industry, the disclosure requirement of Indian Accounting standard (IND AS- 108) "Operating segments" are not applicable.

INDEPENDENT AUDITOR'S REPORT

To the Members of MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)

Report on the Consolidated IND AS Financial Statements

Opinion

We have audited the accompanying IND AS financial statements of MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited) (“the Holding Company”) and its associate which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the Consolidated Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the Consolidated IND AS Financial Statements give the information required by the Companies Act 2013, as amended (“The Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We have conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of Consolidated Financial Statements of current period. As per our judgement, there are no Key Audit Matters that need to be reported under SA 701.

Information other than the Consolidated Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements and our auditors' report thereon. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated IND AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) specified under section 133 of the Act., read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Boards of Directors of the companies included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. We have taken into account the provisions of the Companies Act 2013, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Consolidated IND AS financial statements in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated IND AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Group's preparation of the IND AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Consolidated IND AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated IND AS financial statements.

Other Matter

The comparative financial information of the Company for the year ended March 31, 2025 in these Consolidated IND AS financial statements, have been audited by us for the relevant periods. The report furnished by us relating to the comparative financial information expressed an unmodified opinion.

We have not audited the financial statements/financial information of the associate, whose financial statements reflect total assets of Rs. 551.39 lakhs as at 31st March 2025 and total revenues of Rs. 736.56 lakhs for the year ended on that date. These Financial Statements have been audited by other Auditor whose Reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these associates, and our report in terms of sub-sections (3) & (11) of Section 143 of the Act, in so far it relates to the aforesaid associates, is solely based on the reports of the other auditors.

Our opinion on the Consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books;
 - (c) The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss including the Consolidated Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Consolidated IND AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) In our opinion, there are no matters that may have an adverse effect on the functioning of the Company.
 - (f) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (g) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our Consolidated report in 'Annexure A'.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2018, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a) The management has represented that to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entities including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries;

c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The Group has not declared or paid any dividend during the year, therefore the provisions of the section 123 of the Act is not applicable.
- vi. Based on our examination, which included test checks conducted by us and the respective auditor of the associate and whose standalone financial statements have been audited under the Act, the holding company have used accounting software for maintaining books of account that includes a feature for recording audit trails (edit log) facility. This feature has operated throughout the year for all relevant transactions recorded in the software. Further, during our audit, we did not encounter any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for the record retention.

However, in respect of its associate company, on the basis of audit report of the auditor of such company, accounting software for maintaining books of account did not had a feature of recording audit trail (edit log) facility and same was not operated through out the year for all the relevant transactions recorded in the software.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, based on the reports of the auditor of the associate company included in the consolidated financial statements, there are no qualifications or adverse remarks by the respective auditor in their CARO report.

Annexure A referred to in paragraph 1 (g) under the heading “Report on other Legal and Regulatory requirements” of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited) (“the Holding Company”) and its associate, as of March 31, 2025, in conjunction with our audit of the Ind AS consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its associate, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Holding Company and its associates, internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based

on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Consolidated Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanations given to us and based on our audit, the Holding Company, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2025.

In relation to the subsidiaries, which are incorporated in India, please refer Other Matters paragraph below.

Other Matters

As per section 143(3)(i) of the Companies Act, 2013, reporting of internal financial controls over financial reporting is not applicable to a associate, thus our report over the internal financial controls over financial reporting is based on the internal financial controls over financial reporting of the Holding Company.

MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)
Consolidated Financial Statements
Notes Forming Part of Financial Statements for the Year Ended March 31, 2025

1. Corporate information

The consolidated IND AS financial statements comprises of financial statements of “MKP Mobility Limited” (Formerly known as Chitradurga Spintex Limited) (“the Holding Company”) and its associate (collectively referred to as “the Group”) for the year ended March 31, 2025.

The registered office of the Company is situated at GAT NO.624, behind Vijay Hotel, Wadki Nala, Vadki, Pune, Haveli, Maharashtra, India, 412308.

2. Basis of preparation and Summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

The Consolidated Financial Statements (“CFS”) have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules 2015, as amended from time to time, and other relevant provisions of the Act. The CFS comprises the financial statements of MKP Mobility Limited (the ‘Company’) and its associate company.

The investment in associate is accounted for in the consolidated financial statements using the *equity method* as prescribed under Ind AS 28, *Investments in Associates and Joint Ventures*. Under the equity method, the investment in associate is initially recognised at cost and adjusted thereafter for the post-acquisition change in the Company’s share of the net assets of the associate. The Company’s share of profit or loss of the associate is recognised in the Consolidated Statement of Profit and Loss, and its share of movements in Other Comprehensive Income is recognised in the Consolidated Other Comprehensive Income.

When the Company’s share of losses in an associate equal or exceeds its interest in the associate, including any other unsecured receivables, the Company does not recognise further losses, unless it has incurred obligations or made payments on behalf of the associate.

2.1 Basis of preparation and presentation of consolidated financial statements

(i) Statement of Compliance

The consolidated financial statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and presentation and disclosures requirement of Division II of revised Schedule III of the Companies Act 2013, as applicable to consolidated financial statement.

The consolidated financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the consolidated financial statements.

(ii) Historical cost convention

The consolidated financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities (including derivative instruments) - measured at fair value;

MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)
Consolidated Financial Statements
Notes Forming Part of Financial Statements for the Year Ended March 31, 2025

- Assets held for sale - measured at fair value less cost to sell

(iii) Current versus Non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle;
 - Held primarily for the purpose of trading;
 - Expected to be realised within twelve months after the reporting period; or
 - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle of the holding company is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Based on the nature of products and the time between the acquisitions of assets for processing and their realization in cash and cash equivalents, the company has ascertained operating cycle of 12 months for the purpose of current and non-current classification of assets and liabilities.

(iv) Segment reporting:

The holding company primarily operates in the Distribution of Automobile spare parts and lubricants. The board of directors of the Company, which has been identified as being the chief operating decision maker (CODM), evaluates the Company's performance, allocates resources based on the analysis of the various performance indicators of the Company as a single unit. Therefore, there is no reportable segment for the Company as per the requirement of IND AS 108 "Operating Segments".

(v) Cash flow statement

The Cash Flow Statement is prepared by the indirect method set out in Ind AS 7 on Cash Flow Statements and presents cash flows by operating, investing and financing activities of the Company.

2.2 Property, plant and equipment

Initial recognition

All items of property, plant and equipment (including capital work-in-progress) are measured at its cost. The cost of an item of property, plant and equipment comprises:

- (a) Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- (b) Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Consolidated Financial Statements
Notes Forming Part of Financial Statements for the Year Ended March 31, 2025

(c) The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Measurement after recognition

The Company has elected revaluation model for measurement of land whose fair value can be measured reliably at each reporting period.

(a) Revaluation model for certain class of property, plant and equipment

Land is recognised at fair value based on periodic, but at least once in three years, valuations by external independent valuers, less subsequent depreciation for buildings.

Increases in the carrying amounts arising on revaluation of land are recognised, net of tax, in other comprehensive income and accumulated in reserves in shareholders' equity. To the extent that the increase reverses a decrease previously recognised in profit or loss, the increase is first recognised in profit or loss. Decreases that reverse previous increases of the same asset are first recognised in other comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to profit or loss. Each year, the difference between depreciation based on the revalued carrying amount of the asset charged to profit or loss and depreciation based on the asset's original cost, net of tax, is reclassified from the revaluation reserve to retained earnings.

(b) Cost model for other class of assets

All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

(c) Depreciation methods, estimated useful lives and residual value.

Depreciation is calculated using the WDV method to allocate the cost of the assets, net of their residual values, over their estimated useful lives as follows:

Type of asset	Useful life (in years)
Building	60
Computer	3/6
Office equipment	5
Furniture and fittings	10
Vehicles	8/10
Plant and Machinery	15

2.3 Intangible assets (including intangible assets under development)

Software:

Intangible assets are recognized at cost. Intangible assets are amortised on a straight line basis over the estimated useful economic life so as to reflect the pattern in which the assets economic benefits are consumed.

Following summarizes the nature of intangible and the estimated useful life:

Asset	Useful life (in years)
Software	3

An intangible asset is derecognized on disposal or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the profit or loss when the asset is derecognized.

2.4 Trade receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. Trade receivables are recognised initially at the amount of consideration that is unconditional unless they contain significant financing components, when they are recognised at fair value. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost.

2.5 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.6 Other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments that are not held for trading, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at FVOCI.

(ii) Recognition

Regular way purchases and sales of financial assets are recognised on trade-date, being the date on which the Company commits to purchase or sell the financial asset.

(iii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in Other Income using the effective interest rate method. Any gain or loss arising on de-recognition is recognised directly in profit or loss and presented in other gains/ (losses). Impairment losses are presented as separate line item in the statement of profit and loss.

- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains/ (losses) and impairment expenses are presented as separate line item in statement of profit and loss.

- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the de-recognition of the investment. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

De-recognition of financial assets

A financial asset is derecognised only when:

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

2.7 Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in India where the company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment.

The Company measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets and liabilities and where the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)
Consolidated Financial Statements
Notes Forming Part of Financial Statements for the Year Ended March 31, 2025

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.8 Inventories

Cost of inventories for traded goods is computed on weighted-average basis. Inventories are stated at lower of cost or net realisable value. The cost of stock-in-trade includes direct expenses.

Net realisable value is the estimated selling price in the ordinary course of business less any applicable selling expenses.

2.9 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within the agreed credit days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

2.10 Revenue recognition policy

The Company accounts for a contract when it has approval and commitment from parties involved, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable.

Revenue from the sale of goods is recognized at the point in time when control is transferred to the customer - based on delivery terms, payment terms, customer acceptance and other indicators of control as mentioned above.

The Company recognizes revenue in the gross amount of consideration when it is acting as a principal and at net amount of consideration when it is acting as an agent. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Revenue from contract with customers is recognized when the Company satisfies performance obligations by transferring promised goods to the customer. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset. Revenue is measured based on transaction price, which is the fair value of consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract, net of the estimated sales incentives/discounts. Accumulated experience is used to estimate and provide for the discounts/right of the return, using the expected value method.

The Company assesses for the timing of revenue recognition in case of each distinct performance obligation. The Company first assesses whether the revenue can be recognized over time as it performs if any of the following criteria is met:

- (a) The customer simultaneously consumes the benefits as the Company performs, or
- (b) The customer controls the work-in-progress, or
- (c) The Company's performance does not create an asset with alternative use to the Company and the Company has right to payment for performance completed till date.

MKP Mobility Limited (Formerly known as Chitradurga Spintex Limited)
Consolidated Financial Statements
Notes Forming Part of Financial Statements for the Year Ended March 31, 2025

If none of the criteria above are met, the Company recognizes revenue at a point-in-time. The point-in-time is determined when the control of the goods or services is transferred which is generally determined based on when the significant risks and rewards of ownership are transferred to the customer. Apart from this, the Company also considers its present right to payment, the legal title to the goods, the physical possession and the customer acceptance in determining the point in time where control has been transferred.

2.11 Interest income

Interest income from financial assets at fair value through profit or loss is disclosed as interest income within other income. Interest income on financial assets at amortised cost and financial assets at FVOCI is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income.

2.12 Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to equity shareholders of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

32 Employee benefit obligations

A. Defined contribution plans :

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund, which is defined contribution plan. The Company has no obligation other than to make the specified contribution. The contribution is charged to Statement of Profit and Loss as it accrues. The amount recognised as an expense towards contribution to Provident Fund for the year aggregated to Rs.5.09 (2024: 0.00) and other funds to Rs.0.04 (2024: 0.00).

Contribution to Defined Contribution Plans recognised as expense for the period ended are as under:

Particulars	March 31, 2025	March 31, 2024
Employers contribution to provident and other funds	5.13	-
Total	5.13	-

B. Defined benefit plan

The Company provides for gratuity to employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a non-funded plan and the Company makes gratuity payments to employees.

Return on plan assets excluding amount included in net interest on net defined (Return) / loss on plan assets excluding amounts recognised in interest (income)/expenses (Gain)/loss from change in demographic assumptions	-	-
Total Remeasurement Cost/(Credit) for the year recognised in OCI	0.38	-

(e) Significant estimates: actuarial assumptions and sensitivity

The significant actuarial assumptions were as follows:	March 31, 2025	March 31, 2024
Mortality rate	Indian Assured Lives Mortality (2012-14) Ult.	Indian Assured Lives Mortality (2012-14) Ult.
Discount rate	6.80%	7.20%
Rate of growth in compensation level	8.00%	8.00%
Expected average remaining working lives of employees (in years)	12.66	11.87
Attrition rate	6.00%	6.00%

Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Change in Assumption	Defined benefit obligation	
	March 31, 2025	March 31, 2024
(i) 1% increase in discount rate	2.34	-
(ii) 1% decrease in discount rate	3.00	-
(iii) 1% increase in rate of salary escalation	2.96	-
(iv) 1% decrease in rate of salary escalation	2.36	-
(v) 1% increase in rate of withdrawal	2.61	-
(iv) 1% decrease in rate of withdrawal	2.68	-

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation by 1%, keeping all other actuarial assumptions constant. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of defined benefit obligation calculated with the projected unit credit method at the end of reporting period) has been applied while calculating the defined benefit liability recognised in the balance sheet. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

The following payments are expected contributions to the defined benefits plan in future year:

Particulars	March 31, 2025	March 31, 2024
Year 1	-	-
Year 2	0.01	-
Year 3	0.01	-
Year 4	0.23	-
Year 5	0.37	-
Year 6 to 10	7.21	-

Liability Risks**Asset-Liability Mismatch Risk-**

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the company is successfully able to neutralize valuation swings caused by interest rate movements. Hence companies are encouraged to adopt asset-liability management.

Discount Rate Risk-

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practise can have a significant impact on the defined benefit liabilities.

Future Salary Escalation and Inflation Risk -

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

The management assessed that the fair value of cash and cash equivalents, trade receivables, trade payables and other current financial assets and liabilities approximate their carrying amounts, largely due to the short term nature of these balances.

The fair value of the financial assets and liabilities is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The management assessed that the carrying amounts of its financial instruments are reasonable approximations of fair values.

i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. However the Company does not have any financial instruments that are measured using Level 1 inputs.

Level 2: The fair value of derivatives is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Fair value of financial assets and liabilities measured at amortised cost

The fair value of all financial instruments carried at amortised cost are not materially different from their carrying amounts, since they are either short-term in nature or the interest rate applicable are equal to the current market rate of interest.

34 Financial risk management

The Company's principal financial liabilities comprises of borrowings, lease liabilities, trade and other payables (including capital creditors). The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans given, trade and other receivables, and cash and cash equivalents that are derived directly from its operations.

The Company is exposed to the following risks from the use of financial instruments:

- (a) credit risk,
- (b) liquidity risk, and
- (c) market risk,
 - (i) foreign currency exchange risk, and
 - (ii) interest rate risk.

The Company's senior management oversees the management of these risks. The Company's financial risk activities are governed by appropriate policies and procedures and financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

(a) Credit Risk

The Company is exposed to credit risk as a result of counterparties defaulting their obligations. The Company's exposure to credit risk primarily relates to trade receivables. The Company monitors and limits its exposure to credit risks on a reasonable basis. The Company's credit risk is associated with Trade Receivables is primarily related to customers not able to settle their obligations as agreed upon. To manage this, the Company periodically reviews the financial reliability of its customers, taken into account their financial conditions, current economic trends, analysis of historical bad debts and ageing of trade receivables. Financial instruments that are subject to such risks, principally consist of trade receivables, contract assets such as security deposits and cash and bank balances. None of the financial instruments of the Company results in material concentration of credit risk.

(b) Liquidity Risk

The Company is exposed to liquidity risk related to its ability to fund its obligations as and when they become due. The Company monitors and manages the liquidity risk to ensure access to sufficient fund to meet operational and financial requirements. The Company has access to credit facilities and monitors cash and bank balances on a regular basis. In relation to the Company's liquidity risk, the Company's policy is to ensure that it will have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions without incurring unacceptable losses.

The table below analyzes the Company's financial liabilities into relevant maturity groupings based on their contractual maturities.

(c) Market risk

Market risk is the risk of any loss in the future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change due to change in interest rates, foreign currency exchange rates, liquidity, and other market changes. Future specific market movements cannot be market predicted with reasonable accuracy.

(i) Foreign currency exchange rate risk

The Company deals with receivables from customers and payables to vendors. It is therefore exposed to foreign exchange risk associated with exchange rate movements. The foreign exchange rate fluctuations do not have any material impact on the profitability of the Company as such exports and foreign currency expenditure is negligible in totality.

There are no forward exchange contracts which have been entered into by the Company as on the reporting dates.
